Hi Pam,

Here is a NOV being sent to CRW for failure to meet permitted flow through the secondary treatment untils. This will be a total of \$2,000 for stipulated penalty. I think once we get through the with the NGOs and enter the CD we will issue stips.

Ms. Katzenmoyer,

Due to the COVID-19 pandemic and the telework status of PA DEP employees, we have decided to issue the attached Notice of Violation (NOV) electronically in response to “blending”-related issues at the Harrisburg AWTF in late 2020. Attached you will find the NOV dated April 23, 2021. Also included is the Department’s inspection report from February 26, 2021. Please print out the attached documents for your use and respond as requested.

Please respond to this email to acknowledge receipt of the NOV for our records.

Please let me know if you have any questions.

Heather
